Biz1 Payment Platform Overview

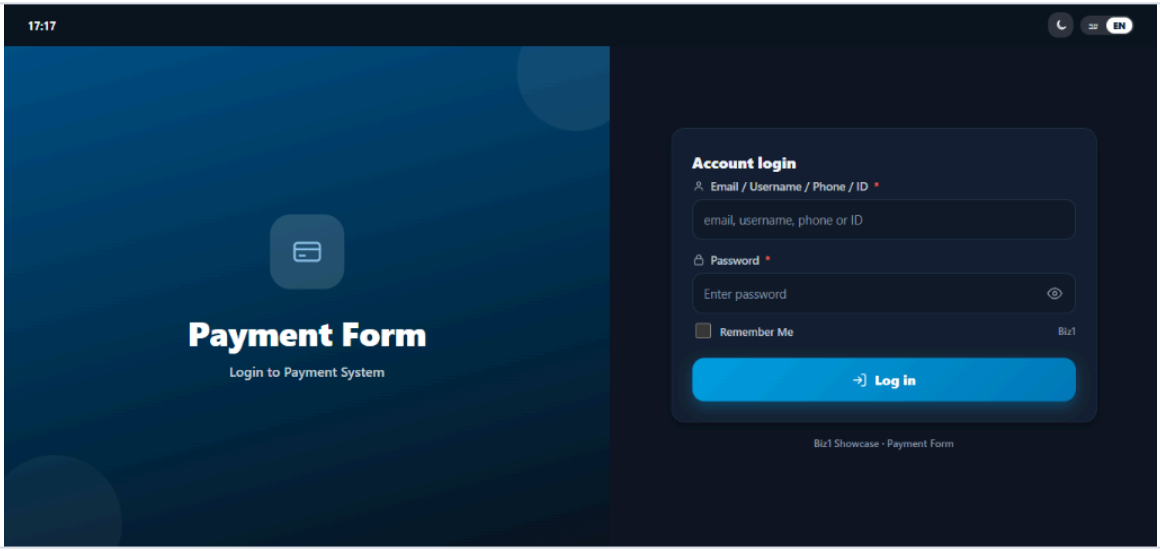
Biz1 Payment is an enterprise payment link generator and gateway orchestration portal engineered to construct dynamic checkout forms, establish compliance rules, manage multi-resource leads, and streamline merchant payment processing.

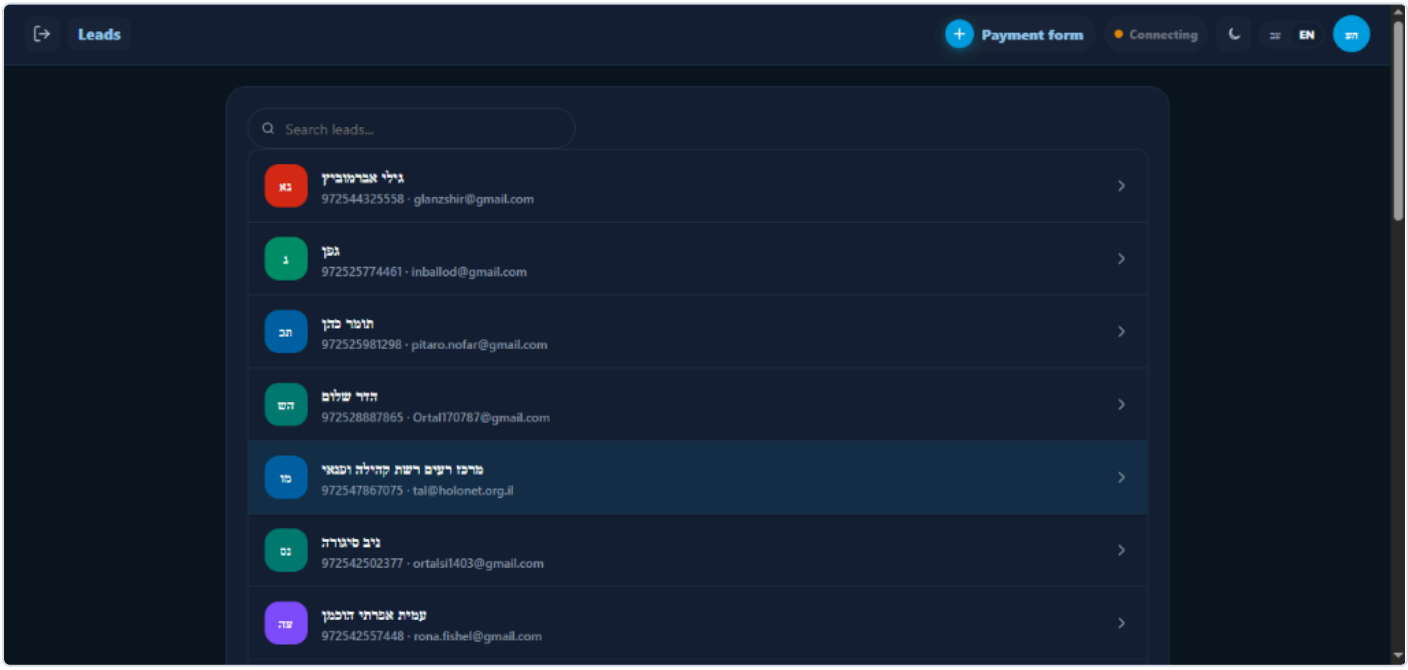
- **Dynamic Checkout Form Studio:** Intuitive builder configuring required fields (Name, Email, Phone), amount customization permissions, company attribution, and payment gateway routing.
- **Integrated Leads Management Directory:** Centralized client roster tracking contact coordinates, customized initial avatars, full-text lead search, and payment link associations.
- **Lead-Specific Transaction Ledgers:** Contextual transaction grids logging generated payment form IDs (#6940), amounts (220), item descriptions, settlement status (Paid), and instant link duplication.

LIVE LOGIN URL: https://apps.biz1.co.il/judoil11/judoil11/login.html

System Access Credentials · Active Test Access

Parameter / Control	Value / Format	Description & Instructions
Login Portal URL	https://apps.biz1.co.il/judoil11/judoil11/login.html	Direct web access URL to the Biz1 Payment management portal.
Login Username	`judoil11`	Valid operator login handle to authenticate into Biz1 Payment.
Login Password	`Hydh3AsEI7` Universal	Common password across all Biz1 platforms; case-sensitive test authentication.
Localization & Interface	`Hebrew (עב) · English (EN) · Dark High-Contrast`	Omnichannel payment gateway builder with real-time sync telemetry.

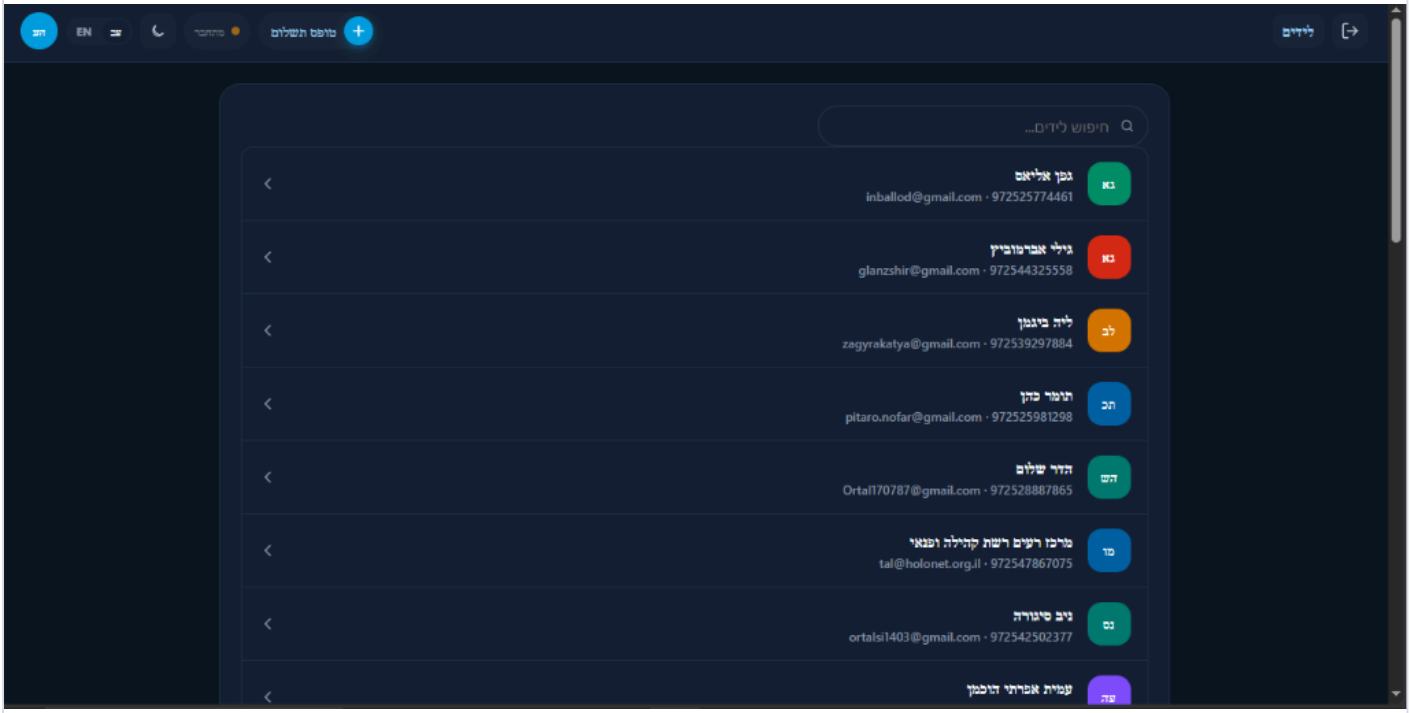




Customer Leads Directory & Contact Intake Repository

LEADS DIRECTORY

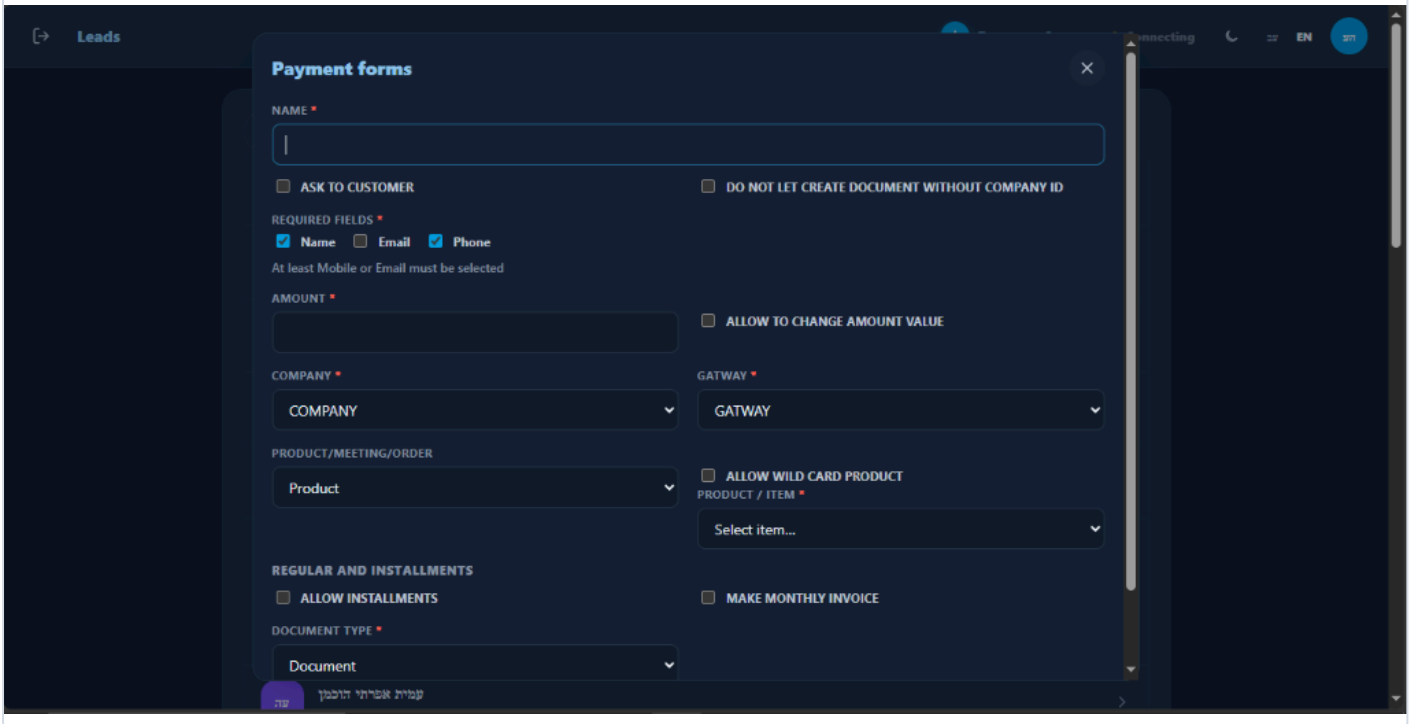
- **Unified Multi-Lead Intake Ledger:** Centralized client directory displaying customer avatars, Hebrew full names (גפן אליאס, גילי אברמוביץ, ליה ביגמן), and active account links.
- **Direct Communication Telemetry:** Instant visibility into registered client emails and formatted contact telephone numbers (+972 52 577 4461) for rapid sales communication.
- **Global Lead Navigation Controls:** Interactive lead search bar ("חיפוש לידים...") paired with top-bar payment form generation (+ טופס תשלום) and multilingual controls.



Dynamic Payment Form Builder & Gateway Studio

FORM BUILDER

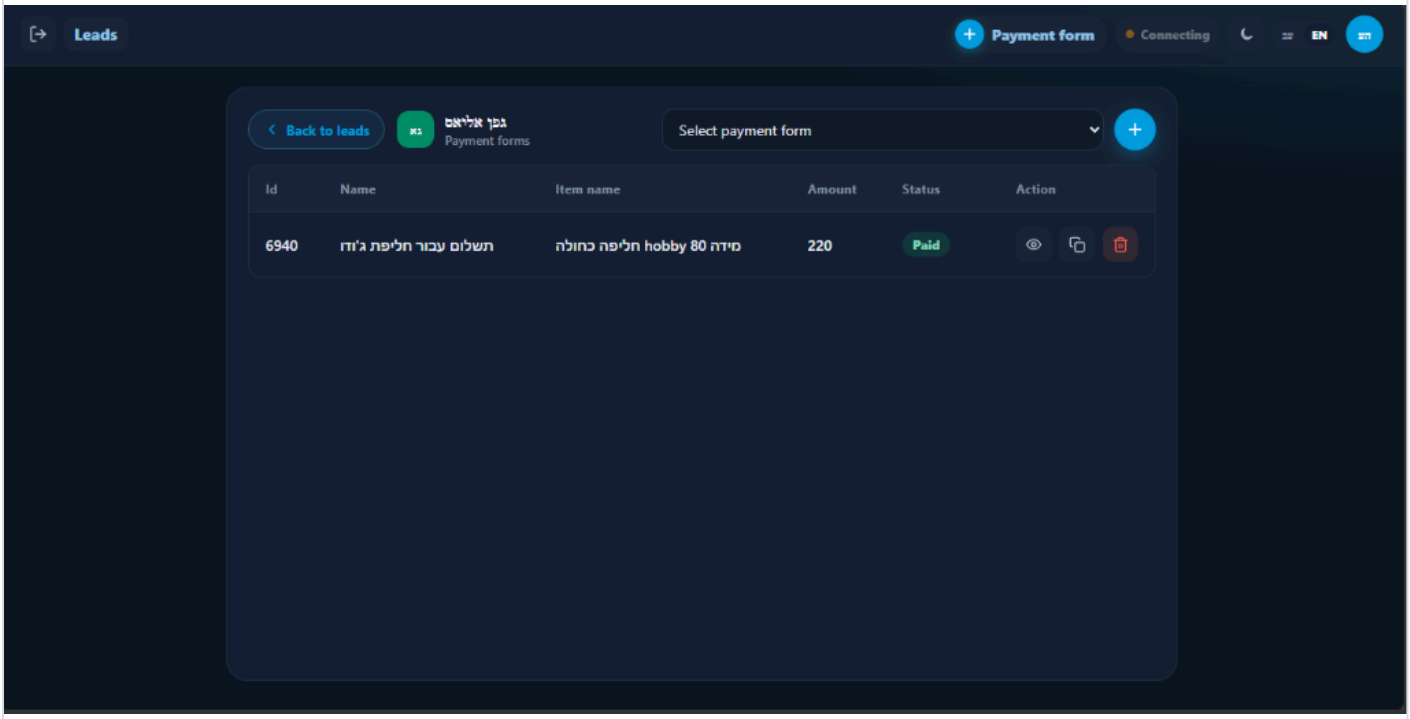
- **Compliance & Input Validation Matrix:** Comprehensive form rules configuring required fields (Name, Email, Phone), Ask to Customer flags, and company ID prerequisites.
- **Gateway & Commercial Routing:** Multi-tenant routing linking forms to corporate entities (Company dropdown), payment gateways (Gateway selector), and wild-card products.
- **Flexible Billing & Installment Terms:** Configurable checkout terms governing customer-adjusted amounts, installment permissions, monthly invoicing, and document generation types.



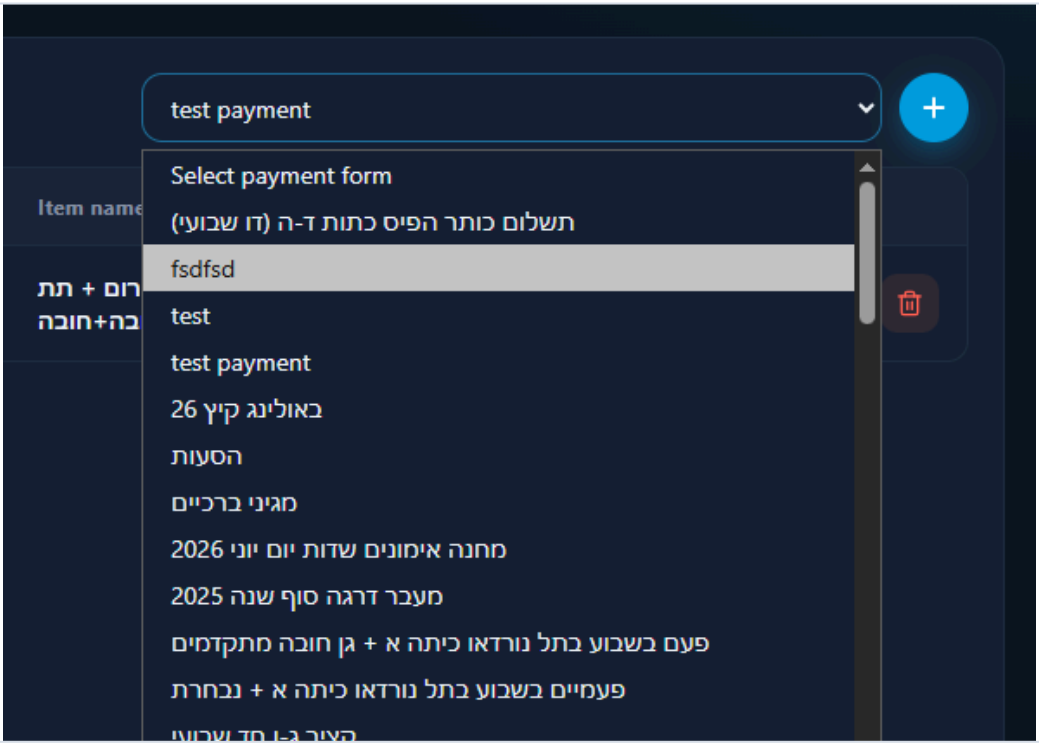
Lead-Specific Payment Forms & Transaction Ledger

TRANSACTION LEDGER

- **Contextual Client Attribution View:** Dedicated transaction ledger for selected leads (גפן אליאס) with breadcrumb navigation (< Back to leads) and dedicated avatar badge.
- **Itemized Payment Record Tracking:** Structured ledger logging Form ID (#6940), form title (תשלום עבור חליפת ג'ודו), item description (מידה hobby 80), amount (220), and settlement status (Paid).
- **One-Click Link Actions Hub:** Operational action toolbar enabling immediate receipt viewing, direct checkout link copying to clipboard, and transaction deletion safeguards.



Catalog Payment Form Selector & Product Routing

PRODUCT ROUTING


- **Extensive Pre-Built Form Catalog:** Interactive dropdown menu providing instant selection across 12+ configured institutional and sports payment templates.
- **Seasonal & Activity Classifications:** Specialized form options routing seasonal camps (מחנה אימונים שדות ים), school grade transitions (מעבר דרגה סוף שנה 2025), and transportation fees.
- **Rapid Form Assignment (+) Trigger:** Single-click action button attaching selected payment configurations directly to the customer's billing profile.
